SPONSORING A CHILD AT NIÑOS DE BAJA

*Niños de Baja is...
a Christian outreach ministry in
El Porvenir, a small farm town in
Baja California, Mexico.*

*Our mission is to share Christ's
love by serving children in Baja.*

Our Children's Home...

Niños de Baja offers a home for children at our mission in El Porvenir.

Most of our kids come to us from the city of Ensenada. Some are orphans. Some have been abandoned by their parents. But, most have been removed from their homes because of neglect and abuse.

When they come to us, these children are scared, angry and withdrawn.

At Niños, they find safety, love and healing. And, they learn about God's love for them.

Becoming a Sponsor...

At Niños, the decision to sponsor a child is also a decision to be part of that child's life. The love you share with your child can actually help in their healing process.

So, we ask that you consider what's involved, and pray about your decision before you become a sponsor.

If you (or your family or group) sponsor a child, this is what we will ask of you:

- Pray for your child regularly.
- Encourage your child's spiritual growth. For example, you could send your child a Spanish-language children's Bible.
- Send birthday and Christmas gifts to your child each year.
- Send cards, notes, stickers, postcards, etc., to your child throughout the year.
- Send a monthly contribution to Niños to help support your child. The amount is up to you. Your gift is tax-deductible.

*Thank you for your interest in Niños,
and for considering
a sponsorship for one of our kids.*
